

Declaration of Conformity For Lithium Iron Phosphate Batteries

Purpose:

The intent of this document is to specify that the Fortress Power LLC product models in the Scope below conform to the following standards for energy storage.

This document supersedes any previous declarations for the Fortress Power Products.

Scope:

Fortress Power product line models covered by this Declaration of Conformity include the following:

Fortress eFlex 5.4 kWh Lithium Battery

Scope:

- UL9540

I hereby certify that the equipment named above has been designed to comply with the relevant sections of the above referred specifications. The unit complies with all applicable requirements.

A handwritten signature in black ink, appearing to read "Eric Wang", is written over a horizontal line.
